PROFESSIONAL EXPERIENCE

Kerala Development and Innovation Strategic Council (K-DISC), Thiruvananthapuram – Programme Manager

Feb 2020 – Present | 6.7 years

- Digital Transformation Leadership: Spearheaded digital transformation initiatives under the Vijnana Keralam Program, focusing on employment, skilling, and the knowledge economy.
- Digital Workforce Management System (DWMS): Led the design, enhancement, and deployment of an employment facilitation platform across Kerala, including DWMS 2.0 architecture planning for improved efficiency and scalability.
- Virtual Job Fair Module Development: Architected and managed the development of Job Fair Module using agile methodologies, integrating end-to-end job fair operations with tools for mobilization and management information systems (MIS) reporting. Additionally, coordinated with the statewide field team to organize and execute job fairs.
- Employment Platforms Integration: Led the development and statewide implementation of the Thozhil Keralam Application. Coordinated enhancements for the Vijnanakeralam and Skill Summit portal to strengthen employment support.

- Cross-Sectoral Innovation Initiatives: Contributed to the digital transformation of educational curricula through the Manchadi Program and supported community development via the Mazhavillu Program with innovative digital solutions.
- MIS & Institutional Systems Design: Designed and implemented management information systems for the field level operations for jobfair support.
- Migration of digital workflow system. Coordinated the migration OspynDocs for digital document management.
- Research & Publications: Authored several peer-reviewed papers on innovation ecosystems and labor market transformation, and presented findings at the Kerala Science Congress and international Skill Kerala Global Summit 2025.
- Mentored and coached junior project team members, improving team delivery capability
- Coordinating User Acceptance Testing (UAT) for the platform.
- Collaborated with the Techgentia and IntelliOak team to integrate the Vconsol Conference module into the Jobfair module of the DWMS platform.

KELTRON, Thiruvananthapuram – Engineer| Feb- December 2008| Aug 2018 – Feb 2020 | 2.6 years

- ERP Systems Oversight: Led the project management efforts in optimizing ERP systems and resource scheduling utilization to enhance organizational performance.
- Knowledge Centre Operations Management: Managed the full project lifecycle of knowledge centre operations, including course development, training delivery, and administrative processes to ensure effective outcomes.
- Training Program Coordination: Developed and implemented training programs in Web Development, PHP, Blockchain, and Python, aligning with skill development objectives and project milestones.
- Strategic Partnership Coordination: Collaborated with KELTRON and other technical and vocational training partners to drive strategic activities, ensuring alignment with project goals and objectives.
